CAFE DE MARCO

A steadfast kitchen and snug, historic cottage and courtyard setting comprise the recipe that has kept this an enduring Marco Island tradition. The café's two-room and patio dining areas occupy one of Marco's oldest homes with a bright, cheery countenance accented by stained glass and lattice. Likewise, the menu blends classic Continental-style preparation with sparks of color and character. For starters, try the Café's signature lobster bisque and a combination platter of oysters Rockefeller and Oscar. Meat-lovers find a treat in the cider brined pork tenderloin, its sweet saltiness balanced with smoked tomato butter and accompanied with a chilled farm bean salad and roasted garlic and potato puree. Alcohol is beer and wine only, but the wine selection is robust and varied.
