Gilroy "Zookeeper," the Guinness icon imported from Ireland, greets guests as they enter the space. A new bar top with a wall of Guinness-branded pint glasses and a high polished copper ceiling sits inside with three Guinness bar taps. It's here that guests can participate in the only official Perfect Pint Experience in the world outside of the Guinness Storehouse in Dublin, Ireland. Guests learn the essential six steps to pouring the perfect pint as well as the history behind the brand. Guinness lovers can join in the craic – "Irish-style fun" – after learning each step and pouring a pint into their own 20-ounce official Guinness glass. Guests take home a personalized certificate, a framed commemorative photograph and the 20-ounce glass they filled with Guinness.
